# BELLEVILLE ARTISTS' OPEN STUDIOS

33<sup>rd</sup> edition, « Envolée »

Belleville is a **city village**: quiet passages, tranquil courtyards and hidden villas contrast with the bustle on the boulevards. Urban art is everywhere in this vibrant cultural melting pot.

A **large community of artists** has flourished in this unique environment.

Each year, the artists offer a **precious and unique moment** behind the scenes of art: for **four exceptional days**, they open the doors of their studios. Contemporary art, vigorous and diverse, is offered to all: you may visit unexpected places, **meet the artists**, **discover** their universe, and, why not, **offer yourself a piece of art.**"

- > **More than 150 artists**
- > **90 studios** exceptionally open to the public
- > **A wide range of artistic styles represented** (painting, sculpture, photography, ceramics, drawing, engraving, collage,...)
- > **Several events and animations** (photo contest, participatory art, special shows...)
- > **40 000 visitors expected**

An event not to be missed!
